

District Mission Statement

We the parents, community, and staff of the Helendale School District, believe that young people can be taught to be lifetime learners and competent citizens. We are partners in providing our children with an understanding and appreciation of the past and present, as well as, preparation for the future. We will focus on effective instruction that reflects our local history, concern for the environment and belief in a strong academic curriculum. We will work to ensure a safe and orderly environment, sound fiscal management and a belief that the size of our district enhances rather than limits our possibilities.
